

PowerShare Business

Last Updated: 26 May 2026

★ Full Terms & Conditions (PowerShare Business)

1. Introduction

1.1. These Terms and Conditions (“Terms”) apply to the commercial referral scheme (“PowerShare Business”) offered by Geo Green Power (“the Company”).

1.2. By participating in PowerShare Business, the referring company (“Referrer”) and the referred company (“New Customer”) agree to be bound by these Terms.

1.3. By participating, all eligible individuals agree to be bound by these Terms.

2. Eligibility

2.1. The Referrer must be a UK-registered business.

2.2. The New Customer must be a new commercial customer who has not previously engaged with the Company, where a customer will be considered ‘engaged with the Company’ if they are, or have previously been, recorded in the Company’s systems as a customer, prospect, or lead, including where they have made an enquiry, received a quotation, participated in discussions, or are involved in any ongoing sales or tender process.

2.3. Employees of the Referrer and employees of the New Customer are eligible for the “PowerShare Team” employee benefits.

3. Referral Process

3.1. A referral is valid only if submitted through the Company’s approved contact form or in writing to the Company before the New Customer makes direct contact.

3.2. Only one Referrer may be linked to each New Customer/project.

4. Referral Reward for the Referrer

4.1. If the referral leads to a completed and invoiced installation, the Referrer will receive either:

- A credit or rebate equal to 1% of the net installation value of the new project, applied to a future or existing account; or
- Any alternative promotional reward specifically communicated by the Company.

4.2. The reward calculation is based on the final invoiced installation value, excluding VAT, financing costs, discounts, variations, and ongoing service agreements.

4.3. The reward will only be issued once:

- The New Customer's installation is fully complete; and
- The final invoice has been issued; and
- The New Customer has paid in full.

5. Reward for the New Customer

5.1. The New Customer may choose one of the following benefits:

- Free monitoring for five years following the completed installation; or
- Two years of free servicing/maintenance.

5.2. The New Customer must select their benefit before installation begins.

5.3. Benefits cannot be exchanged for cash or transferred.

6. Limits & Restrictions

6.1. Referrals cannot be made retrospectively.

6.2. Rewards cannot be transferred to another company or individual.

6.3. In the event of partial cancellation, non-payment, or dispute, the Company reserves the right to withhold or cancel rewards.

6.4. One referral fee is eligible for one project only. Any subsequent projects or installations initiated by the New Customer after the first project is complete are not eligible for referral fees.

7. Fraud, Abuse & Disqualification

7.1. The Company may withhold or revoke rewards if it suspects:

- Abuse of the scheme
- False information
- Conflicts of interest
- Multiple or duplicate referrals

8. General

8.1. The Company may amend or withdraw the PowerShare Business programme at any time without notice.

8.2. These Terms do not create any partnership, joint venture, or agency relationship.

8.3. These Terms are governed by the laws of England & Wales.

★ **Summary Terms & Conditions**

- Referring company receives 1% credit/rebate based on the final installation value (ex-VAT).
- New Customer chooses either 5 years free monitoring or two years free servicing.
- Employee benefit: £500 discount on home solar, or heat pump installations.
- Rewards issued only after installation is complete and invoiced/paid.
- Referrals must be submitted before first contact.
- One Referrer per project.
- Not transferable; no cash alternatives.
- The Company may modify or withdraw the scheme at any time.
